SXSW Music ASIA

NOKIES!

Young Kyoto college students whose loose guitar style (think The Strokes) and off-kilter beats (a la Vampire Weekend) will make you smile, jump and dance.

Kao=S

Performance trio with Jack playing tsugaru-shamisen (kind of a Japanese banjo), Shuji on guitar, and "sword-dancing" singer Kaori.

ZZZ's

All-girl trio from Hyogo, featuring members of Hystoic Vein (who played Japan Nite's US tour in 2011).

Vampillia

Experimental post-rock meets avant-garde metal - a brutal orchestra from Osaka.
